

How to get connected

Open your device and locate the settings

Select the option for “Wi-fi”

Look for your caravan number “Pitch xxx – Guest Wifi”

If you are not staying in a caravan or lodge, select “Beverley Holidays - Guest”

Once the correct Wi-Fi option has been chosen, input the password “holiday123”

Create account and provide the required details

Choose the service you require

Choose paypal (you don’t need to have a paypal account to pay)

Type in your email address in the box which requests this, and press “Next”

Choose your payment method and click “Agree and Pay”

Not connected?

Open your settings and ensure your Wi-Fi is showing as “Connected”

Open your Internet browser (Safari, Chrome, Firefox)

Go to the following URL: www.go.com (you must have the wifi symbol showing on

your mobile phone, and not using mobile data)

Create account and provide the required details

Choose the service you require

Choose paypal (you don’t need to have a paypal account to pay)

Type in your email address in the box which requests this, and press “Next”

Choose your payment method and click “Agree and Pay”
